EDUCATION

Malla Reddy University, *Hyderabad* — *Aug 2023-Jun 2027*

B .Tech in Artificial Intelligence & Machine Learning — 80%

SKILLS

Python, SQL, HTML, CSS, Java Script, Jupyter Notebook, Google Colab, Machine Learning Basics, Web Scraping, Google Analytics, Tableau, Power BI

Python: NumPy, Pandas, Matplotlib, Seaborn, SciPy, Scikit-learn, Beautiful Soup

INTERNSHIP

Web Development Intern — SkillCraft Technology — 1 July 2025 – 31 July 2025

- Gained hands-on experience in web development activities
- Worked with team members on real-time tasks and practical assignments
- Followed organizational policies and professional work culture
- Enhanced technical and problem-solving skills during the internship

PROJECTS

Holycross College Website Development — Sep 2025

- Designed and developed a responsive college website using **HTML, CSS, and JavaScript**.
- Implemented navigation, content layout, and multimedia elements for user-friendly browsing.

Plant Disease Detection Using Machine Learning — Oct 2025

- Built a **Machine Learning based system** to identify plant diseases from leaf images.
- Used **Python, OpenCV, and Scikit-learn** to preprocess images and train classification models.
- Improved model accuracy through data augmentation and feature extraction techniques.

Student Performance Prediction Model — Nav 2025

- Developed a **predictive model** to forecast student academic performance
- Utilized **data preprocessing, feature engineering, and ML algorithms** in Python.
- Evaluated model using various metrics to optimize prediction accuracy.

ACHIVEMENTS

- Earned **AI Awareness Digital Badge** for completing foundations in Artificial Intelligence
- Successfully completed **AWS Cloud fundamentals** certification
- Participated and certified in **Hack2Skill technical event**
- Achieved certificates for **academic excellence and participation** in technical events

INTRESTS

Artificial Intelligence and Machine Learning, Web Development and UI Designing, Learning New Technologies and Tools, Problem Solving and Logical Thinking, Reading Tech Blogs and Research Articles
